"LIFT UP YOUR EYES, AND LOOK ON THE FIELDS; FOR THEY ARE WHITE ALREADY TO HARVEST." — JOHN 4:35

Vol. 1, No. 34

Sept. 10, 1965

Dear Ones in Christ:

Greetings of Christian love in the name of Jesus. Since the broadcast message for this Friday has already been mailed last week, we thought we would take advantage of this extra week and write you a letter.

A scripture in Phil. 1:12 says; "But I would ye should understand, brethren that the things which happened unto me have fallen out rather unto the furtherance of the gospel." It makes us rejoice when we see how the apostle Paul was able to take his disappointments and persecutions, and cause them to work to the glory of God to his advantage. Even so, God can take the "disappointing things" of our lives and cause them to bring forth fruit for Him.

We hope that you have been enjoying these weekly messages as much as

we have enjoyed doing them for the Lord and his people.

We have gotten some very interesting reports. One lady in Texas requested a poem which she heard while traveling, and one young man heard the broadcast in Kansas while riding the tractor and working in the field at night. Another heard the broadcast from Colorado while on vacation. But the best of all we feel that we are serving God and his people by spreading the good news of salvation.

With the coming of cooler weather radio reception should improve and more will be able to hear X E G. Some have requested that we get an earlier hour for the broadcast and we want to explain that this is more expensive. But we are trusting the Lord for greater things as he opens the way by faith. We welcome any suggestions you may have to improve the broadcast.

Especially are we concerned about the need in the mission field. In the weeks just ahead we plan to have more reports soon from those who are active in this work. Bro. + Sis. Carver left for Nigeria this
(over)

week.

We would appreciate your prayers for a number of requests we have for those who are in need of healing. These include Bro. Clark (Gr.) Porter, Sis. Lavina Martens Sis. Jessie Taylor besides many others.

Remember us in prayer also that we may have both wisdom and grace to do God's will.

yours in Christ, with a desire to see his work advance both at home and abroad.
